DF

Since our humble beginnings in 1982, we've remained true to our roots as a family-owned and entrepreneurial company, becoming one of the most recognized and award-winning leaders within the lighting industry.

Headquartered in Los Angeles, CA, with showrooms/offices in Dallas, TX and Atlanta, GA, we offer national distribution and shipping capabilities that support one of the largest networks of lighting showrooms, E Commerce channels, electrical distributors, home builders, MRO customers and home centers in the US and Canada.

Why Designers Fountain?

At Designers Fountain, we offer design-driven product at an accessible price. We work to bring inspired design and materials from around the world to the US market – whether it be architecture, finishes, textures or materials. Our product designers incorporate all our found elements to create the clean, high-concept forms found in many of our fixtures.

With over 10,000 distinct designs over the years and 1,500+ unique products in our current portfolio, Designers Fountain produces an extensive selection of decorative interior and exterior fixtures, along with commercial lighting products like troffers, high bays, recessed fixtures, and security lighting.

We have over 25 years of lighting manufacturing experience in Asia. With people and offices long operating in both continents, we offer on-trend designs for the North American market while utilizing “best in class” lighting fixture manufacturing in Asia.

DISCLAIMERS

- Designers Fountain reserves the right to make product changes without prior notice.
- Product specifications in this catalog are approximate and based on the most current information available at the time of publication.
- Finishes may vary due to multiple chemical processes.
- Bulbs not included unless otherwise noted.
- Wattages stated are the maximum recommended; however, lower wattages may be used.
- Larger, heavier fixtures may require additional support and reinforced outlet boxes.
- Most outdoor fixtures are UL/cUL listed and are suitable for Wet conditions, unless otherwise noted.
- Some finishes, especially outdoor fixtures, are subject to change slightly due to prolonged exposure to the sun or extreme weather conditions.
- Designers Fountain products are subject to revision to comply with changes in UL, CSA or the National Electrical Code.
